BECAUSE OF THE NUMBER OF MEMBERS, AND BECAUSE OF THE exceptionally long terms some have served, Mount Vernon has one of the outstanding School Boards in the State. Mr. P. J. Holte has served 31 continuous years on his local Board and 15 years on the present Union Board, its entire life. Mr. H. H. Anderson has served 26 years on his local Board and 14 years on the Union Board. The other members have served from one to twelve years, the total service of all members being ninety-nine years.

The Board is organized on the plan of six permanent committees of five members each. To the Financial Committee are referred all matters pertaining to the preparation of the budget and the financial standing of the District. The Health Committee supervises the health of the students through attention to the sanitary conditions around the building and on the school busses. The Education Committee attends to all matters affecting the members of the Faculty, the course of study, and the educational policies of the Union District.

The problem of transporting 305 students in six school busses more than 300,000 student miles during the year, is solved by the Transportation Committee. Care and repair of the \$225,000 school plant and the 13 acre campus is assigned to the Building and Grounds Committee. The Junior College, which comes under the sponsorship of the Directors of the Union District, is governed by the Junior College Committee. Matters decided upon by any of the six committees are usually accepted by the entire Board at their regular meetings.

FROM THE MEETING ON LABOR DAY UNTIL THE BANQUET ON Commencement night, given in honor of the speakers for the evening, the faculty of Mount Vernon High School each year joins in the scholastic and extra-curricular affairs of the school with a courageous will.

Two new members were properly initiated into the ranks this year at the annual picnic supper given at the Jenne home on Samish Island. Mr. Byrd, of the commercial department, and Mr. Heaman, the physical education instructor, are the new teachers.

Each faculty member is assigned as adviser for one of the classes as a whole or for some specific activity. They enter wholeheartedly into the frolics of the students and show enthusiasm for their social functions.

In the month of December of each year, the faculty-school board dinner is held in the Home Economics rooms and is prepared by the cooking cooking class of Senior girls under the supervision of Miss Gerriets.

When Miss Wells, typing and shorthand teacher, left at midyear to marry Mr. A. C. Pelland, her place was filled by Miss Miller.

After the last reports have been issued, completing one more active year, the faculty feel that 1934-1935 has been very successful.

UNDER THE EXCELLENT LEADERSHIP OF JOHN MINAHAN AND Mr. Byrd, faculty adviser, the Associated Students of Mount Vernon High School have accomplished many things as the curtain falls on the school year 1934-1935.

Excitement ran high for many days when the first semester began with a rousing contest in the form of a turtle derby. The contest was for the purpose of selling the Associated Student Tickets. Soupy, the Senior turtle, proved himself the greatest hustler in school and a prize was awarded to the Senior Class.

The Student Council held its meetings once every two weeks and had special meetings, if the occasion arose. The council's duty was to handle the student funds to the best advantage of the entire school. They had charge of the management of the financial side of all athletics. They have been responsible for the cinders for the track in Askey Field.

An important duty set before the council is the selection of students nominated for office for the following year. They are selected on the basis of scholarship, citizenship and leadership.

And so ends one more year of successful work and play, which will linger in the hearts of the students who attended Mount Vernon Union High School.

at the end of the trip to commencement

THE CLASS '35, WHICH FOR THE last four years has been a vital part of Mount Vernon's high school life, is about to bid "adieu" to the school which offered it so many opportunities and whose beneficial influence will guide the members in future years.

Gathering memories about them, the students are impressed with the enviable record the graduating class has made in all phases of high school activity.

From the Freshman year through to this, the Senior year, the class of '35 has contributed valuable services to its school. The class has within its portals many scholars, actors, journalists, and athletes. It is famed for its enthusiastic backing of all school projects. It assumed the responsibility of guiding the school with assurance and tact.

The Senior class started its last year by capturing the famed Turtle Derby. In true sportsman style they followed up by having a large representation in the football and basketball academy of fame. A most successful and original play was produced by the Senior class as a last service project.

With Shirley Hawkins as Valedictorian, and Mildred Paulson as Salutatorian, the graduating class of 1935 brings its ship at last into port at Commencement.

THE JUNIOR CLASS OF '36 PROVED ITSELF TO BE EXCEPTIONALLY versatile by contributing its members to all the outstanding activities of the year.

A majority of Juniors composed the different athletic teams. At least half of the football eleven and a large part of the basketball, tennis and track teams were made up of students of this class. Dan Ellinger, Mervin Bouslog and Bob Cushen were outstanding Junior athletes.

The girls also went in for athletics. A few of the most successful of them were Marion Lindbloom, Ruth Johnson, Helen Branigin and Virginia Valentine.

Music held an interest for many Juniors and they had high positions in band and orchestra. Two of these students were Alice Pender and Beatrice Bernhoft. Bayard McMichael, Dorothy Lerch and Carl Nermo were principals in the operetta.

Several Juniors had parts in the all-school play. Carroll Siverson and Lois Heimdahl will long be remembered for their excellence in their roles. Although they were continually at work in school activities, the Junior Class presented an assembly before the student body. They also entertained the Senior girls at a tea at the Lindbloom home and helped to make Campus Day a success.

UPON RETURNING TO SCHOOL LAST FALL, THE SOPHOMORES were glad to mingle again with their classmates.

The class boasts of one hundred and fifty-five members; of these, thirty-three are in the honor society, excelling the other classes by a great number.

When the debate season opened, the representatives of the class were June McCormick, Bob Henshaw, and Ona Zell Mitchell. These students won second place in the interclass debates. One of the team's members succeeded in entering the inter-school debates.

Sigrid Yaeger represented the girls of the class on the All-Star soccer team, and Winifred Brickey held honors for the basketball season. Four Sophomore boys made Green M's this year.

The support that the Sophomores have given to the all-school affairs indicates that they will gain momentum during their school career.

TO START THE YEAR WITH A BANG THE FRESHMAN GIRLS defeated the Seniors in the last game of the soccer tournament with a thrilling 3-2 victory, thus giving the Frosh the soccer championship.

Lucille Brown, a freshman, had a major part in the all-school play, "Mignonette." She portrayed the character, Rose Deardan, in a very life-like way.

There were several Freshman girls who made the all-star Soccer team. Those who found places on it were Gerry Davis, Hazel Hendrickson, Florence Tarry and Peggy Richmond. All branches of boys' sports were also well represented by the Freshmen. Joe Johnson, Arnold Whitehead and Pete Walker earned their letter in baseball.

The Freshman debate team was made up of three boys: Milton Trafton, James Cameron and Harold Johnson. They defeated the Sophomores, proving that during their next three years the Freshmen will be capable of carrying on the enviable record made by the High School debaters of previous years.

MOUNT VERNON HIGH SCHOOL IS PROUD OF ITS FOUR NATIONAL Organizations. The Torch is the climax for a student's scholastic life and the Quill and Scroll is the goal of those with journalistic ability. Those dramatically inclined hope to become members of the Thespians. The Key Club stands for service to school and community.

The Quill and Scroll was organized by a group of journalism advisers who wished to reward student journalists for faithful and outstanding work on school publications. Although the society has been inactive this year, several have earned the required points and are eligible to join.

Twenty Seniors, who are the upper fifteen per cent of the graduating class, belong to the Torch Society this year. The letters on the pins stand for Character, Leadership, Scholarship, and Service. Together the Torch and Honor Societies enjoyed a skating party at Wickersham.

Headed by Travis Wert, president, Troup 207 of the National Thespians have held monthly meetings at the homes of the members. The society presented Booth Tarkington's "The Travellers," to a high school assembly.

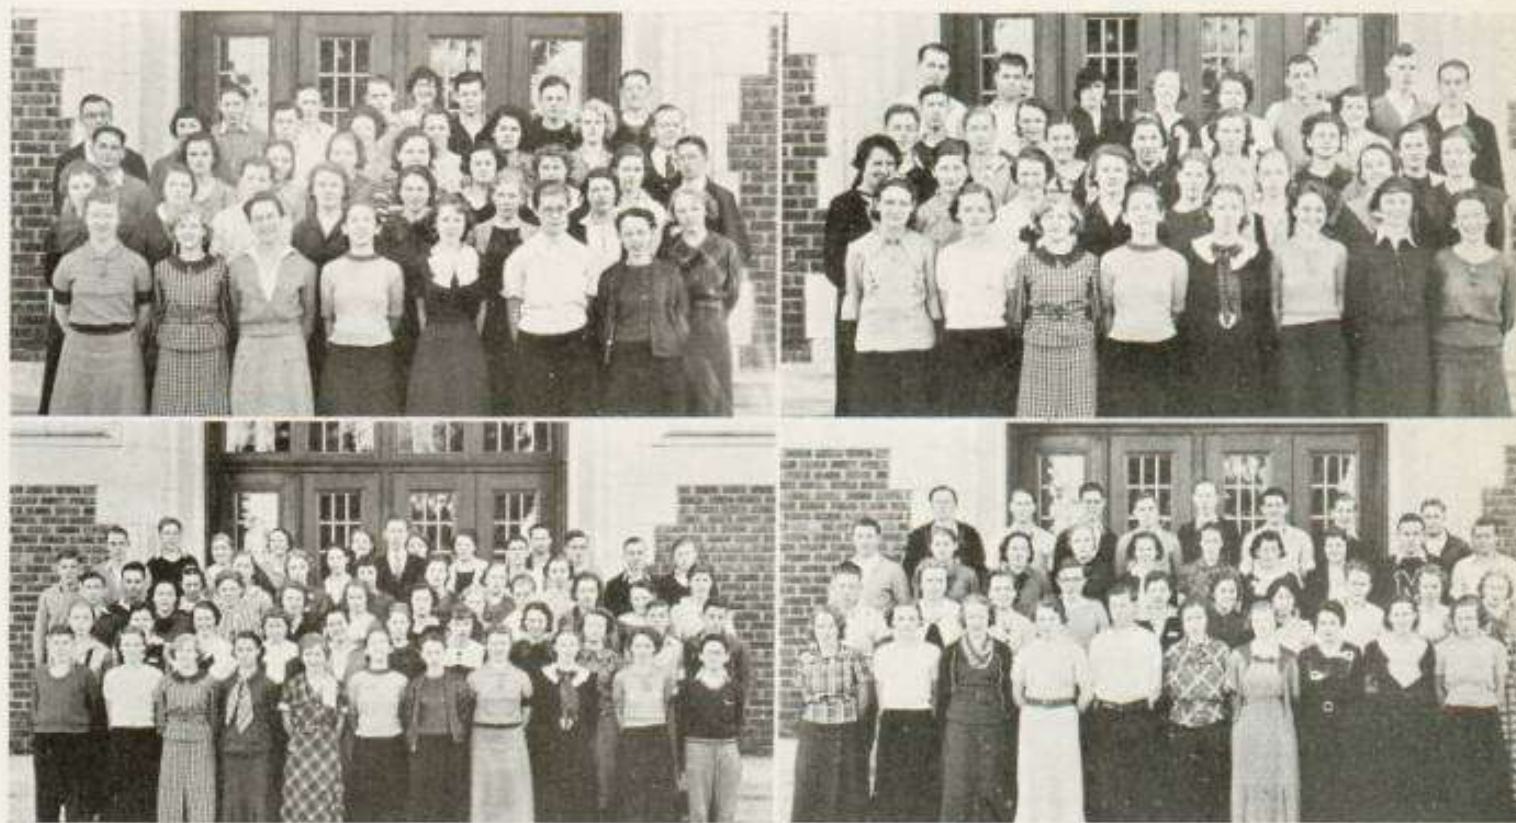

The Key Club, a High School group sponsored by the local Kiwanis, is a newly organized service club. Gordon Shea is president, and Superintendent J. A. Reeves, Attorney W. J. Gilbert, and Ray Ropes, president of the Kiwanis Club, are the advisers of the organization.

WITH MISS THOMPSON AS ADVISER, THE LATIN CLUB, COMPOSED of second year Latin students, has not only sponsored social evenings, but has made this ancient language more worthwhile to the students.

Choosing Les Nois Francois as their name, the first year French class formed a club with Miss Olson as adviser. The programs of the club have been both humorous and instructive, the best program of the year being Miss Lawson's talk on her travels in France.

A white pin with green bars, either one or two, is a mark of distinctive class work. To be eligible to this Honor Society, the student must have, at the end of his Freshman year, twenty-four points; at the end of his Sophomore year, fifty points, and at the end of his Junior year, eighty points. These points must be earned for both scholarship and activities.

Loudspeakers, the public speaking club, functions only in the first semester since in the second semester the class studies dramatics. Lester Holte was president of this year's club, Dolores Rarey, vice president; Carolyn Bloom, secretary; Miss Thompson, adviser.

AS THE FIRST MUSICAL PROJECT OF THE YEAR, A MIXED CHORUS of sixty students, chosen from the Glee Clubs and accompanied by the school band presented a Christmas concert on December 14. The chorus, directed by Miss Catherine Morse, offered some excellent a cappella work, and the band entertained with enjoyable selections.

Alice Pender and Oliver Anderson, who are known throughout the school for their ability along musical lines, were chosen as the student leaders of the band and orchestra respectfully. June Hazleton, as the accompanist for the choruses, proved to be very efficient and faithful.

In the annual Skagit County Musical Festival, held March 8 in Anacortes, bands and orchestras from Sedro-Woolley, Burlington, Mount Vernon and Anacortes played. The ambition of these musical organizations from the different schools is, each year, to win recognition in the annual contest held at the University of Washington. This year the contest was divided into two parts: The soloists performed on April 12 and 13; the bands, orchestras, and small ensembles, on May 3 and 4. Both Rhea McMains and Verna Steele received superior rating, which is the highest honor bestowed on any contestant. The band received a rating of good in this contest and the orchestra was rated excellent.

Exceptionally fine work has also been shown by the boys' and girls' quartets. During the year, they sang on many of the programs offered in the auditorium and pleased the audiences with their rendition of the songs.

STANDING THIRD HIGHEST IN THE DISTRICT AND PARTICIPATING in six debates, the debate team completed a satisfactory season. The question was: "Resolved, that the federal government should adopt the policy of equalizing educational opportunity throughout the nation by means of annual grants to the several states for public elementary and secondary education." The debate club sponsored the interclass debates, which were held during the first semester.

The office force is composed of girls who are taking the commercial course. One girl helps Miss Quinn in the office each period, and earns one semester's credit in this way.

Headed by Jim Thompson, Firechief, the firemen have been busy this year arranging fire drills, inspecting fire hoses, and seeing that all of the equipment is in working order. Each boy has a station every period of the day. Through this group's work the building may be emptied of all people in one minute.

The Future Farmers of America took part in many activities this year. Among them were two trips to Mount Baker; undefeated play in intramural basketball; many stock judging contests; the Father and Son Banquet; entertainment of the Sedro-Woolley and Burlington Chapters; delegates' attendance at the Pullman conference; purchase of a cup for the best project work, and a filmstrip projector.

A PROBLEM IN ADDITION: Two editors, Margaret Wright and Shirley Carr, plus the Journalism class plus the adviser, Miss Morse, equals—why, the "Bulldog," of course. The "Bulldog," Mount Vernon High School's own newspaper, has been published twice a month and has kept an exact record of all school news.

Headed by Lois Matson as editor, the "Skagina" staff has worked hard for nine months in an effort to put out the best yearbook Mount Vernon High School has ever published. This aim has been doubly hard to attain since the last two annuals have been rated All-American.

In addition to the staff, five students have given generously of their art work. They are Lora Adamson, Jack Connell, Eloise Houser, Paul Lund and Isabelle Meyer, all of whom made advertising posters.

Credit also goes to Miss McCormack and Miss Day for their splendid work as supervisors.

IN ORDER TO HELP THE GIRLS DEVELOP CHARM AND personality, numerous charm groups were organized this year.

A special effort was made during the year to give as many girls as possible an opportunity to serve on committees and programs.

At Christmas time small decorated trees and treats were taken to each patient in the local hospitals.

The aim of the Boys' Club is to create a school spirit among the boys. This was accomplished by two very exciting smokers and a number of assembly programs given by members of the Mount Vernon club and by visitors from neighboring high schools.

As guests of the Mount Vernon Boys' Club a group of Sedro-Woolley boys put on a very amusing program during a special assembly.

Another interesting assembly was one at which some members of an expedition to the World's Fair told of their experiences.

UNDER THE SPLENDID leadership of their president, Ruth Ellinger, the Girls' Athletic Association has once more come to the end of a successful and enjoyable year. The first event staged by the girls was a circus which turned out to be both entertaining and profitable.

The proceeds from this production were used to sponsor the annual football banquet held in honor of the football squad at the close of the season. Lois Matson was toastmistress and several of the football boys gave appropriate speeches. The most successful activity, according to the girls, was the ski-trip to Mt. Baker.

Over seventy girls who enjoy participating in athletics took advantage of the many sports offered to them by the G. A. A. Keen competition is shown among the class teams in intramural games. The Seniors have taken two championships this year, Basketball and Servus Ball.

The Freshmen won in Soccer. Archery, baseball and tennis are other sports in the G. A. A. program.

Girls showing greatest skill in their position are chosen for the All-Star teams by Miss Smith and the managers.

chief technicians of the athletic force

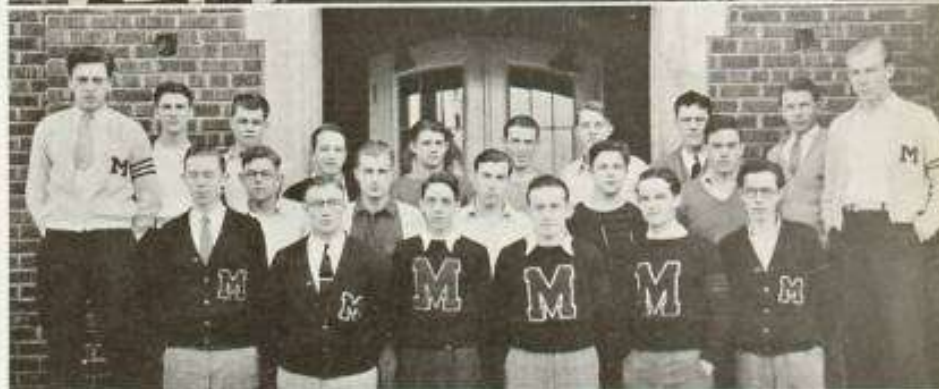

STUDENT BODY SUPPORT at football and basketball games was successfully led by Yell King Chuck Boyd, assisted by George Wright. Frances Masi and Margaret Wright were the song leaders in assemblies and at games. Oliver Anderson headed the boys' pep band and Wilma Rudeen conducted the girls' pep band. Alice Pender was the student orchestra leader.

The Green M is a high goal set for every girl belonging to the Girls' Athletic Association. This honorary organization consists of the girls who have earned eight hundred points in various athletics.

The annual initiation was held at Rosario for twenty girls on May 14. This school year has had a pleasant ending for those girls who have earned their last green "M."

The Boys' Green M club is an honorary organization for boys in athletics. Membership is gained by earning a letter in any sport. Letters are awarded to athletes earning 180 points in a sport, based on the number of quarters, innings or matches played.

The boys have successfully staged two "smokers" this year. The profits from these are used for football equipment.

ALTHOUGH THE SCORES DO NOT INDICATE IT, THE FOOTBALL season was a successful one, in that future material was developed. Eight games were played, four of them on the new turf field, which was made possible by Skagit County Sportsmen.

The first game of the season ended in a victory for Fairhaven. Although the Bulldogs outplayed the Bears during the whole game, Fairhaven capitalized on the breaks and won 7-6. The next game with Stanwood proved to be a "pushover" for Mount Vernon, the Bulldogs emerging victorious 12-0. The first game on the new turf field proved to be a "walkaway" for Whatcom, the Redskins winning 33-0. The fourth game of the season was with Arlington, that team winning 25-6. However, it was in this game that Coach Heaman discovered the winning combination. Then there was a forced lay off of two weeks because of John Minahan's contracting infantile paralysis.

The Bulldogs licked the Wild Cats from Oak Harbor 25-0. The next victory was won from the Anacortes Seahawks 7-0. On the sixth play of the game Bob Cushen, Mount Vernon halfback, ran 66 yards for the winning score. The hardest game to lose was that one played with Burlington. The Bulldogs outplayed their opponents three quarters of the game, but were defeated 14-12. The Sedro-Woolley Cubs won the Thanksgiving day game 14-0. The first score came when the Cubs blocked a kick on Mount Vernon's 20-yard line.

Captain "Wigs" Hanson, center, received all-county honors as did Singer, a tackle, and Bouslog, an end. Mount Vernon players chosen for second all-county positions were: Cooper, tackle; Wilkins, end; Davis, guard; F. Shumway, fullback; Cushen, halfback; Brickey, halfback.

Those lost to the team because of graduation and the age rule are Brickey, Hanson, Hedlund, Melvin Bouslog, and F. Shumway.

Under the leadership of Coach Heaman, the basketball season started immediately after the close of football season. The turnout was large but inexperienced. Coach Heaman put his boys to work in fine fashion and with several weeks of practice the Bulldogs opened the season with a win against Concrete.

They lost the next game to Anacortes but the boys didn't lose their spirit, and as a result won a thrilling game from Burlington. The first time they met them on the floor, Dan Ellinger shot two longs at the close of the game to score the winning points. In the County tournament game with Burlington, Mount Vernon was behind 5 points with 2 minutes to go. Two baskets were made in one minute and Ben Martin slipped in the winning points just as the gun sounded.

Some of the outstanding players were Walter Boyes, who was an all-county guard, and Mervin Bouslog, a second all-county center. Lettermen graduating are Windus and Brickey. With such men back as Bouslog, Martin, Ellinger, Warner, Shepherd, Treese and Hutchison, all lettermen, Coach Heaman has hopes of a championship team for Mount Vernon next year.

TENNIS, A MAJOR SPORT IN MOUNT VERNON HIGH SCHOOL, HAS become the most popular sport for both boys and girls. The 1935 Bulldog squad has had an active season which ended with the boys showing fine tennis and good sportsmanship at the county and district tournament. The courts have been improved and kept in good shape all year.

The girls' team, coached by Miss Smith, started with a difficult schedule but they won a number of matches as the season progressed. Betty Harris, Ruth Ellinger, Anne Smith and Marion Lindbloom were the outstanding players and Pauline Allen successfully managed the matches.

Mr. Lang's team of boys played matches with Anacortes, Sedro-Woolley, Everett, Burlington and La Conner. The boys winning the greater number of their games were Chuck Boyd, Marvin Johnson, Dan Ellinger, Ben Martin and Ervin Warner. Mount Vernon took first and second places in the county tournament and made a good showing in the district tournament.

The track team of '35 consisted of only two lettermen, Brickey and Cushen, and much green material. The first meet, a relay carnival, took place at Sedro-Woolley where the Bulldogs failed to place. At the triangular meet with Edison and Sedro-Woolley they chalked up a total of 16 points.

At the quadrangular meet with Whatcom, Burlington and Anacortes, Mount Vernon entered four men who earned 19 points. Windus, McMillan, Brickey, Ellinger, Berger and Cushen were entered at the County Preliminaries. Brickey won the 440 and Cushen placed second in the 220, putting them in the district meet at Sedro-Woolley. Those winning letters were: Brickey, Ellinger, Cushen and Chester Windus.

Coaches Moore and Appelgate deserve much credit for their loyal support to the team. They are in a large part responsible for the improvement in the track and field.

Coach Kolkana opened the 1935 baseball season with a turnout of thirty boys. There was only one letterman among the group. After two weeks of practice the boys were cut to a squad of eighteen. On April 29, they opened their first game with Sedro-Woolley. The game was bitterly fought, with Sedro coming out on the long end of the score 3-1. Smarting from the defeat, the boys avenged themselves the following week against Hamilton with a victory of 4-3. Next, the team whipped Burlington at Burlington by a score of 9-5. Other games on the Bulldog schedule were with Oak Harbor, Concrete and Anacortes.

With the team composed entirely of underclassmen, there should be a well-rounded squad for next year's pennant race.
